GENERAL.

No. G. 17619—*P. P.* 17-19-144, *dated* 31*st January* 1920.

In continuation of Government Notification No. G. 8428—P. P. 17-19-56, dated 8th October 1919, the following notice No. 696, dated 27th January 1920, issued by the Mysore Residency, is hereby republished for general information :—

"Intimation has been received that since the removal of restrictions on persons proceeding on pilgrimage to the Holy Cities in Mesopotamia or in connection with the transport of corpses for burial in that country, a number of pilgrims have gone to Bombay from up country *en route* to Mesopotamia without certificates of identity from the authorities at their native places. As they are not known to the Police in Bombay enquiries have to be made from the authorities concerned whether there is any objection to grant them the necessary certificates. This procedure causes unavoidable delay and hardship to them and in some cases they spend all their surplus funds and are unable to proceed. In order to avoid delay and hardship intending pilgrims are requested to note the instructions on the subject which are contained in the passport notice No. 7314, dated the 22nd September 1919, issued from this Residency."

No. G. 17833—*San.* 41-19-4, *dated* 3*rd February* 1920.

The following notification issued by the Chief Commissioner of Coorg, prohibiting the attendance of persons from the Mysore State and other plague-infected areas at the Irpu jatra is re-published for general information :—

"WHEREAS the Chief Commissioner of Coorg is satisfied that there is danger of an outbreak of plague at Kurchi, a village in Tavalgerimurnad of the Kiggatnad Taluk in Coorg, if persons from the Mysore State and other plague-infected areas are permitted to assemble at that place on the occasion of the ensuing Irpu *jatra* during the Mahasivaratri festival.

In exercise of the powers delegated to him under the Epidemic Diseases Act, 1897, the Chief Commissioner prohibits the attendance at the said *jatra* of persons from Mysore and other plague-infected areas, on the 17th and 18th February 1920.

All persons proceeding to the *jatra* in contravention of this notification will be turned back."
